- Creative and Critical Thinking Workshop 2020
- Science Fair for Young Children (SFYC) Teachers Training
- IPITEX 2020

ASTI Leap Challenge

WHAT IS ASTI LEAP CHALLENGE(ALC)???

ASTI Leap Challenge (ALC) aims to expose young people to the world of science, creative and logical thinking particularly in the areas of invention and innovation.

With ALC, the teachers and students from potential schools are trained to conduct their own school level ASTI Leap Challenge (ALC).

This project includes three training sessions, followed by a competition organised at each participating school.
